

**NORTH CENTRAL WISCONSIN
ANTIQUe STEAM & GAS ENGINE CLUB
MAY 2018**

Summer is Coming!

We welcome the warmer weather! As the weather improves, we look forward to Summer and our show! Half of the Summer Fun is spending time working together all Summer at the show grounds! We hope you can join us!

Central WI State Fair - Marshfield

We have been asked by the fair committee, if our club would be interested in having a display at their fair. The dates requested are Aug. 21st, 22nd & 23rd. If you have any questions, please contact Greg Szemborski.

Help with Barn Repairs

Tom Martin is looking for help working on the barn between May 19th-26th. He will take all the help he can get! Please call Tom @ (715)574-1020 for more details!

We are still looking for a group of ladies who would be interested in getting together to come up with ideas to present to our board for future show displays. The Board & LRP Committee are looking for advice as to the type of building needed and what size/privacy requirements that would be needed as well. Please call Linda Berens @ (715)432-3044 for more information.

Here we grow again!

As some of you have heard, your Board of Directors has been busy planning for a new building for our show grounds! This Building will be called the **YOUTH EDUCATION BUILDING**. This building will give us space to teach youth (young & old) how to maintain and restore farm equipment through the use of a shop area along with a class room area for formal instruction.

We have received an anonymous donation to help fund this project. However, the donor has challenged us as a club to raise funds for this as well. Our donor is willing to match up to \$50,000.00! We are asking for your help in the fundraising for this. We have added an incentive for all donors who are willing to donate \$25.00 or more. For every donation of \$25.00, your name will be entered to win a stainless steel wildlife themed fire ring donated by OMEGA Thermo Products in Stratford, WI. If you are gracious enough to donate \$100.00, you will have 5 chances to win the fire ring. To get entered to win the fire ring, your donation needs to be sent in by May 1, 2018. All donations after that will not be eligible for the fire ring. Our final donations have to be in by June 1, 2018 to be considered for the matching of funds from our private donor. Please mail all donations to the club @ P.O. Box 272 Edgar, WI 54426. Questions to Elton Martyn, 715-551-1424.

No amount of donation will be refused. We also want our youth to be a part of the fundraising efforts as well. Two young ladies from our club have already made a donation because they will first handedly get to reap the benefits of this new addition to our show and they want to pay it forward.

We Need You! Yes--YOU!!!

Our Club Board has been working hard planning for Summer projects and our 2018 Show! But the time to really work is coming! There are **LOTS** of projects for this Summer including continued barn repairs, creating new signs, wrapping flatware, stacking silo staves, endless landscaping as well as the usual lawn and yard care. All these items need to be done to keep our show grounds looking nice. **We need your help and we know you will have fun with us. Please call us and we will get you in contact with our project leaders. Call Dorrie @ (715)680-6151 or Dennis Bergs @ (715)737-7784.

What is Amazon Smile?

Swap Meet / Auction

Please note that we will **NOT** be having an auction during this years show. Instead, we have decided on a separate weekend along with a swap meet. This event will be held September 14th & 15th, 2018.

We will be looking for club members to help with this event because we will be serving our delicious Buck Wheat Pancakes for breakfast on Saturday, a Brat Fry on Friday & Saturday, and The General Store will be open to sell club merchandise too.

We have more information on this event listed on our Club's web site www.edgarsteamshow.com

Memorial Wall Plaques & Benches

If you would like to honor your loved one with a memorial--please contact Rick Stencil for the plaque at 715-302-1805 or for a bench, contact Denny Bergs at 715-573-7784.

AmazonSmile is a website operated by Amazon that lets customers enjoy the same wide selection of products, low prices, and convenient shopping features as on Amazon.com. The difference is that when customers shop on AmazonSmile, <https://smile.amazon.com/ch/39-1306116>, the AmazonSmile Foundation will donate 0.5% of the price of eligible purchases to the charitable organizations selected by customers.

Please consider **The North Central Wisconsin Antique Steam and Gas Engine Club Inc** when choosing where you want your donations to go.
