Worker Meal Update

Our club was proud to serve lunch and dinner to our hard working members & volunteers during this year's show! This year, we made 1,044 sandwiches!

A special thank you goes out to everyone who brought potted flowers and plants to decorate the steam show grounds in honor of family members. They added color, charm and a lovely tribute to family members. We will be doing this again next year.

Getting ready for 2020 -- Show #47!!

Next Year's Feature will be the *Barn* and / or *Wood Working Equipment*

2020 is going to be a great year! It will be our 47th Show!!!!

Our main feature next year is going to be the barn. We are very excited for many reasons. Our goal is to have the Polka's up there next year. **Fun Fact:** Did you know that our show is the only one in Wisconsin with a real barn on the grounds?

Please submit your photos of our **Barn** or **Wood Working Equipment** to any board member by 10/27/19.
