2020 IS HERE!!

The winter winds are blowing strong--but Spring is right around the corner. (We hope!)

Our board members are always working hard and looking to the future of our Show and our Club! It begins with working to prepare for next year's Show and it continues with efforts to make the future of our Club and our Home Better than ever!

~The Barn~

As most of you know The Barn is this years feature for our show! We have a ton of things to do before it's complete! Tom Martin is looking for lots of help to make his vision a reality. He will be working on the barn the week before and the week after Memorial Day. Please talk to him for more details.

The Grand Opening for the barn will be Friday night of our show. We will have a very special guest to break the floor in right! This will be the only Polka Band Playing on Friday night. They have played all over the Midwest and we were fortunate enough to secure them for our show. Please join us in celebrating the Grand Opening of the Barn with **Mollie B and Squeezebox!!**

They will be playing from 5-8pm. Watch for more details!

Marathon County Address Changes

For the most part, Marathon County has finished changing residents addresses to improve public safety. We want to keep everyone informed as much as possible with our club News. You can email Cheryl Kunze your new address at her **NEW** email address cheryl597784@gmail.com.

The Club's new address is **223755 Steam Hill Drive Edgar, WI 54426.**

Do you have the winter blues? Well we have a cure for that! Just because it's the winter time, doesn't mean no one is working on the show grounds. We invite YOU, to come out & work on Wednesdays from mid morning until sometime in the afternoon in the Youth Education Building. A pot-luck luncheon will be around noon. There is still a lot of work to be done! Contact Denny Bergs for more info.

Something to think about..... Before you know it, our show will be here. It's not too early to start thinking about where you want to work during the show. We are always looking for people to work in the General Store, Pancake House, Parking, Admissions, Show set-up and Show take down. By working during the show, you can earn a **FREE** meal! Say that again? Yep, you heard me! For every shift you work, you will get a ticket for a Free meal during the show. The meal tickets are good for the Buckwheat Pancake breakfast or delicious homemade sandwiches and a bottle of water for lunch or dinner. It's our way of saying "Thank You!"

Sponsorship Policy Update

Last year's Sponsorship program for our club website and show fliers was a huge success! Many of our local businesses and service vendors chose to advertise on our website and our flier! (We are proud to say that our club website has MANY visitors and our club fliers can be found far & wide throughout the state).

Our Sponsorship Program helps to pay the expenses for our website and our fliers - and we encourage our club members to patronize our Sponsors!

We have had many very positive responses for our Show-Partners! These Show-Partner advertisers will be included on our website during our first quarter web update, and those partners participating with flier sponsorship will be included on our show flier.

We are always looking for more sponsors. If you know of someone that is wanting to be a sponsor, please have them talk to Cheryl Kunze.

If you visit one of our sponsors, please tell them you saw their ad on our website or flier! ***Please Thank them and let them know we appreciate their support!***
