ANTIQUÉ STEAM & GAS ENGINE CLUB  
AUGUST 2019**

**SUMMER UPDATES**

The Summer heat means that our Steam Show is around the corner.

Janice Soczka has taken over the General Store and has a lot of new ideas. She has started with a fresh new look on the inside and will be adding items for sale that may have been forgotten at home like toiletries.

Janice and her friends want your help in another project to make our grounds more beautiful during the show.

“In Memory” of our loved ones, this year we invite you to bring a potted flowering plant to the grounds for the weekend of the show. All you need to do is stop in the General Store to obtain your personalized “In Memory” tag and we will assign a place for your plant. You will need to water your plant during the show and take your plant home by the end of the show.

Please direct all questions about this project to Janice Soczka @ (715) 352-2786.

**Work Week Lunches –Monday thru Thursday:**

Luncheons are served the week before the show for our hard working club members who are setting up during show week. Aug 19-22. **If you join us for lunch, we ask that you please bring a dish to pass everyday.**

The club will provide a meat dish & beverages. If you need any ideas on what to bring, call Cheryl Kunze (Worker Meal Team Leader). She would be happy to provide some suggestions. Cheryl’s phone # is (715) 937-5455.
