"Our mission is to preserve our rural, agricultural, forestry and homesteading heritage and to educate future generations in all aspects of that heritage."

President Updates

Greetings, fellow club members,

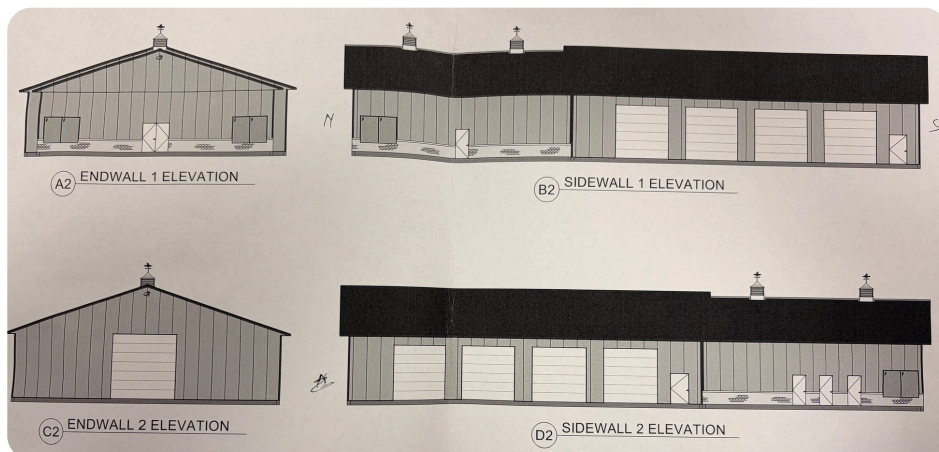

Finally, warmer weather is here! Your Board of Directors has been busy over the winter, most notably advancing the new Ruble Exhibition/Museum Building project, which was approved by the general membership at last October's banquet meeting. Groundwork will begin as soon as soil conditions allow.

This building is the result of years of planning and is largely funded through the generosity of many steam club friends and donors. We extend our sincere thanks to the anonymous donor who helped initiate this project, as well as the Jerred D. Ruble Family Charitable Foundation and the BA & Esther Greenheck Foundation for their generous grant support.

While these contributions bring us most of the way, we are inviting club members to help carry this project across the finish line. I am excited to share that a \$50,000 matching grant is available. Every dollar donated by members, up to \$50,000, will be matched. This opportunity puts us in a strong position to complete the building, ideally in time for this year's show.

Donations of any amount are welcome and will go directly toward the matching grant. A recognition board will be displayed in the museum to acknowledge significant contributions, along with foundation grants received.

I encourage all members to consider supporting this effort. Once completed, this project will provide lasting value to our community and school groups as we work together to preserve and showcase our local history for future generations. Here's to a prosperous and successful summer!

- Greg Szemborksi, President

Show Grounds:

Membership Updates

As of the April membership meeting, the new membership policy is now in effect. New members are required to pay a one-time \$100 initiation fee. To maintain active membership each year, members must either complete a minimum of 10 volunteer hours or pay annual dues equal to the weekend gate fee minus \$5, as set by the Board of Directors.

The membership year begins two weeks prior to the annual Edgar Steam Show. Volunteer hours worked during the current year's show will count toward the following year's active status. Active members receive free show admission and voting rights. **All current lifetime members will retain their status and privileges.**

Members who do not meet these requirements will be classified as inactive and will lose membership privileges, including free admission, voting rights, and eligibility to hold office. Inactive members attending the show must pay regular gate admission, which does not count toward regaining active status. Members may return to active status in any future year by meeting the requirements.

For questions on this policy, please contact:

Greg Szemborksi, (715)-680-0439 or Justin Martin (715)-573-9244

Volunteer Opportunitites

In just a short few months the 53rd annual steam show will be here, and we are always in need of volunteers to make our show happen. You can visit our website, under the "Volunteer" tab to register for a volunteer spot in an area that interests you. From the schoolhouse to the gates or the pancake house and shuttles--**WE NEED YOUR HELP!**

If you have any questions, please direct them to our volunteer coordinator, Dorrie Martyn, 715-680-6151.

2nd Annual Outdoor Power Show

May 8 & 9, 2026

**Power Equipment • Tractors
ATVs/UTVs • Lawnmowers
Craft Show • Flea Market**
