FEBRUARY 2023

Welcome 2023!

2023 MUST be better--we are DUE! Let's all cross our fingers and say a prayer. We want it HOT and we want it DRY for our 2023 show!

Your Club Board is already started on preparations for our 2023 show--and it will be here before you know it!

What can YOU DO? There's plenty to keep all of us busy! So start thinking about where you'd like to help out or give Dorrie a call (Volunteer Coor). She'll gladly help you figure out where you can lend a hand. (PH#s at bottom)

STEAM SHOW WEEKEND

**THANK YOU
TO THE
GROUNDS CREW**

We all know how hard the grounds crew was working to insure we could take care of the visitors that braved the rainy weather.

Our grounds team did another fabulous job keeping up with the rainy weather and making repairs to the grounds after the show.

Everyone surely knows that again this year, repairs are needed in the parking lots and elsewhere on our grounds. Hat's off to our Grounds repair team!

Denny Bergs

Steve Soczka

Mike Huebsch

Bud Mortvedt

Henry Paul

And any others we missed here!

**You do a wonderful job--AND WE APPRECIATE YOU
AND ALL THAT YOU DO!**

GROUND'S UPDATES

As everyone knows, 2022's show was a bit of a disappointment due to rain--again!

Hopefully everyone noticed how nice the roads were in the Flea Market & Camping. They held up beautifully in the wet weather we had for the show.

Your Board has plans to upgrade the Parking Lots in a similar fashion to enable better access to our parking lots for the show.

There is a lot to be done between now and our show--reach out to any Board Member to lend a helping hand. Many hands make light work!

Our General Store building is in need of structural repairs! This antique building (brought here from Fenwood), being exposed to the elements all these years is in need of some refurbishing to bring it back to its former glory. Stay tuned for more info to come on this project.

Other Dept. Leaders

As you all know, the Board of Directors cannot manage all club activities without member help. There are many departments that operate which make our show and our club what it is today.

Here is a short list of several of the critical areas and the Department Leader for that area:

Steve Soczka (715) 574-7724 Chairman of Long Range Planning

Janice Soczka (715) 352-2786 General Store & Gardens

Nick Wadzinski (715) 252-0851 Signs--**Help needed here please**

Loren Hursh (715) 571-7468 Flea Market Manager

Crystal Thieme (715) 218-3697 Co-chair--Camping

Pat Thieme (715) 409-3742 Co-chair--Camping **

****Please do NOT call for camping registration before August 1st!**

We send a special shout-out to the many members who stepped up this past year to help out!

The extra hands are always appreciated and we love seeing the new faces! Part of the Steam Show fun is hanging with your Steam Show friends--and meeting NEW friends!

We look forward to seeing everyone in 2023!

Thank You

TO OUR SPONSORS

We want to show our appreciation to our generous sponsors-- without their support, our show would not be what it is today! Please patronize these

sponsors-- This QR code will take you to our sponsorship supporter page on our club website. Please thank them by frequenting their businesses.

Charter Member Tributes

As many of our members may know, our 2023 show will be our 50th Anniversary Show! Congratulations to us! We are featuring Steam & Small Engines at this year's show. To honor our charter members, there will be a display featured during our show to honor the men & women who started our club. They, just like us, loved their rural heritage and wanted to preserve it and carry it forward for generations to come. ****Anyone with pictures or info regarding our charter members, please contact Cheryl to assist in making our Tribute complete. (PH# on front page)**

WE NEED YOUR HELP!

**** Newsletter Editor--**

Yes-- we are still seeking an individual for newsletter editor. Maybe we need YOU! Contact Dorrie or Greg for more info. See PH info on bottom of front page
