"Our mission is to preserve our rural, agricultural, forestry and homesteading heritage and to educate future generations in all aspects of that heritage."

Message from the President

Hello Fellow Steam Club Members,

What can we say, outstanding people and outstanding weather, it has been a while! Hopefully, there will be funds left after all of the bills and commitments are completed. I heard numerous positive comments from people who were either first-time attendees or returning after not having been to our show in a few years. Kudos to everyone who volunteered to make the 52nd Annual Show a success. The team came together and made it happen, something we all can be proud of.

Be sure to attend our Banquet on October 4th. There are five officer positions expiring: Club President, Club Treasurer, and three Directors. Place your hat in the ring to help shape the future of our organization. There will also be discussion on membership changes taking place, and again at the March 2026 membership meeting. Membership by-laws will be updated. Be sure to make your voice heard.

See you at the banquet!

--Greg

Building Updates

The floors in both the General Store
and the Youth Building classroom are
scheduled to be epoxy coated in the
near future. This improvement will
enhance durability, safety, and
appearance in both spaces, and we
look forward to sharing the upgrade
with you soon. In addition, cleaning
and repairs will be taking place in the
kitchen of the Pancake House to
ensure everything is in top condition.
