Message from the President

Greetings, fellow Steam Club members!

What a wonderful summer we've had, although it was certainly a little warm and dry! The new museum and steamer storage building is complete, and we received a LOT of nice compliments from showgoers. Overall attendance at the show was very good as well. Friday turned out to be our best Friday on record! The rain on Saturday slowed things down a bit, but we still had a respectable turnout. Sunday's parade attendance was the best we've seen since before COVID. Hopefully, things continue moving closer to normal. (We won't discuss politics!)

Now the fall season is here, which means it's time to start putting things away and working on those winter projects.

The Museum Committee is also looking for suggestions on how to display some of the items the club currently has in its inventory. If you have ideas, please reach out to me or any of your board members. We'd be happy to hear them.

Have a great fall!

Greg Saemborski, President

2026 Show By the Numbers...

Thank you for everyone's
participation this year. We had
154 MORE registered tractors
this year! 2026 featured 686
registered tractors!

Outdoor Power Show

This year we will again host our
3rd Annual Outdoor Power
Show. This year will feature a
craft show and flea market in
addition to our outdoor power
vendors. And don't forget to
stop by and support the club at
our food stand!

Our craft vendors will have the
opportunity to be indoors for
only \$50/space! Flea Market
vendors will have outdoor space
for \$50/space as well.

With that, we are looking for
vendors as well as volunteers to
once again put on this spring
show. If you know of anyone
who can help, or you yourself
can volunteer, please contact
Chad Kayhart at
715-223-5263.

Scholarship Application Open!

Scholarship applications are now open
for graduating seniors! Preference is
given to relatives of club members and
students majoring in history or education.

Applications are due March 31, 2027.
